GROUP FITNESS CLASS SCHEDULE

CLASS DESCRIPTIONS

Active Older Adults: If you're at least 55 years young, join us 3 days a week for light exercise with stretching, hand weights, light cardio and more!

BODYPUMP: is for ANYONE looking to get lean, toned and fit — fast! Using light to moderate weights with lots of repetition, instructors will coach you through a total-body workout set to great music, using an adjustable barbell, weight plates and body weight. Great for first-timers and veterans alike!

Bodycombat: is a high-energy martial arts-inspired workout. Punch and kick your way to fitness and burn those calories in a class. No experience needed. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu. Release stress, have a blast and feel like a champ. Bring your best fighter attitude and leave inhibitions at the door.

Body Flow/Yoga: This class is the one hour of exercise your body will thank you for. This class will move your body through a continuous rhythm of deep stretching and powerful poses. Participants are encouraged to work at your own pace.

Bootcamp: High-intensity advanced class with modifications for all levels. An intense mix of jumping, calisthenics, and plyometrics will get you sweating and burning fat.

Cardio Step Aerobics: Moderate stepping, low impact aerobic steps, light weightlifting, and toning muscles.

Combat & Conditioning: Please ask our Wellness Staff about this class!

Chair Yoga: is a gentle form of yoga that can be done sitting on a chair or standing on the ground while using the chair for support. Chair Yoga improves flexibility, It can increase body strength while reducing the strain on your joints

Cross Sculpt: If you're a fan of Insanity and P90X, you'll love this challenging mix of strength, cardio and plyometrics !

Full Body Power: focuses a lot on the lower body with interval training. Our certified instructor will combine aerobic endurance training exercise with strength training that will create a sculpted body. It is similar to a Boot Camp Class that will incorporate squats and lunges along with some upper body exercises.

GRIT: LES MILLS GRIT Strength is a 30-minute, high-intensity interval training (HIIT) workout, designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups. Powerful music and inspirational coaches will help you go harder to get fit, fast.

Hip Hop Dance: Have fun dancing to your favorite old-school and new hip-hop tracks. Super high intensity, but FUN so you won't even notice that you're working out.

HIIT (High-Intensity Interval Training): Class consists of timed, high intensity work focusing on upper and lower body exercises with weights, along with running, jumping and core strength work. Functional exercises including squats, lunges, presses and rows are the basis for this full-body calorie burning class.

Intro Cycle: A coach takes you through a low-impact journey on our stationary bikes.

Line Dancing: Learn a variety of line dances. It's a fun, stress relieving and very social way to exercise. Utilizes and tones different muscle groups, improves coordination & rhythm, and can improve your mood! Get started breaking that workout monotony and boosting your metabolism!

Pound: Pound class is a full-body workout. While you'll have a blast during the actual class, you'll definitely feel the burn in your arms, core, and glutes afterwards.

In Pound class, each participant gets a set of drumsticks. (They're specially made for the workout and called "rip sticks.") This high-intensity interval workout incorporates rhythmic movements to get the class literally pounding the floor as they sweat. The genius of POUND class is that the music and high-energy drumming make the time fly past.

Restoration Fitness This class is for all fitness levels with modifications provided to ramp up the intensity or lower the intensity to accommodate all fitness levels. We spend 25 minutes doing cardio (dancing, drumming, or kickboxing) and 25 minutes of choreographed light weight training to build up muscular endurance.

Tabata: You'll burn serious amounts of fat in this high-intensity interval training, consisting of several blocks with the same format: 20 seconds of work + 10 seconds of rest.

Strength & Conditioning: Get a full body workout while getting your heart rate up using just dumbbells and your own body weight. Class consists of 30 seconds of exercise followed by a brief 10 second rest. This class is great for any activity level and any experience level with modifications available to help each member fit the class to their own specific needs.

Strength & Endurance: The perfect mix of cardio and resistance. The class varies classic aerobic training like step or high/low with body weight, hand weights, resistance bands or barbells to keep your heart rate elevated and calories burning.

TRX: TRX exercise develops strength, balance, flexibility and core stability simultaneously. TRX leverages gravity and the user's body weight to complete hundreds of exercises for a full body workout. You will burn fat, build strength and improve heart health.

Vibe Cycle: Journey through a low-impact workout on our stationary bikes to upbeat music.

Vinyasa yoga is a discipline that utilizes postures and breathing techniques. This form of yoga offers a range of health benefits to those who practice it, as it encompasses all areas of mind, body and spirit

Zumba is the Latin-inspired dance craze that started it all. This exhilarating, easy-to-follow fitness party will have you burning calories and having fun at the same time!

Zumba Gold: is a dance workout with latin and other international music. We learn the Merengue, Reggae, Salsa, Cumbia and other Latin dance steps. Zumba Gold a lower intensity class that is a fun workout for beginners and active seniors. The moves can be done standing or modifications can be made to include dancing from a chair.

LES MILLS

VIRTUAL CLASS SCHEDULE

BODYPUMP

This is the original barbell class – a weights class for absolutely everyone. The 30 or 55-minute class gives you a total body workout and will make you toned, lean and fit.

BODYCOMBAT

A high energy martial arts-inspired non-contact workout. In the 30 and 55-minute class you'll learn how to punch, kick and strike your way to superior fitness and strength.

RPM

This 45 and 50-minute indoor cycling classes is set to the rhythm of motivating music. It burns a lot of calories, gets you fit and leaves you feeling euphoric.

BODYFLOW

In a 30 to 55 minute workout, an inspired soundtrack plays as you bend and stretch through a series of simple yoga moves and embrace elements of Tai Chi and Pilates. Breathing control is a part of all the exercises, and instructors will always provide options for those just getting started. You'll strengthen your entire body and leave the class feeling calm and centered.
