Restroom supervision: E/V will ensure:<ul style="list-style-type: none">• The restroom is not occupied by suspicious or unknown individuals before allowing children to use the facilities.• Children are with an adult E/V member and proceed in groups of three or more (e.g. 1 staff and 2 children or 2 staff and 1 child) when using the bathroom.• Either 'line of sight' or 'line of sound' supervision is maintained while children are using the facilities.• No child, regardless of age, enters a bathroom alone on a field trip.• If E/V are assisting younger children, doors to the facility must remain open.4. E/V should conduct or supervise private activities in pairs - diapering, putting on bathing suits, taking showers, etc. When this is not feasible, E/V should be positioned so that they are visible to others.5. E/V will refrain from intimate displays of affection towards others in the presence of children, parents, and E/V.11. While the organization does not discriminate against an individual's lifestyle, it does require that in the performance of their job they will abide by the standards of conduct set forth by the organization.12. E/V must appear clean, neat, and appropriately attired.13. Using, possessing, or being under the influence of alcohol or illegal drugs during working hours is prohibited.14.
